CAMP COUNTDOWN

We leave July 5th @ 2:30pm and return on July 11th at the same time. The camp theme is different biomes around Earth. The kids will be delving into the deep oceans, the deserts, the redwoods, and perhaps the arctic tundra!

The week is packed with fun activities and will be filled with life long memories. Please pray for the messages that our kids will be receiving and that God will open the hearts and lives of our kids to our Savior, Jesus Christ.

Remember to pack accordingly!
