The InVolved
 At InRoads, we are looking for the "InVolved"! This is a group of people who not only call InRoads home, but much more! Here is what we want you to know so that you can be part of the InVolved here at InRoads.
 The responsibilities of the "InVolved" are described as:
 1. Gather here.
 This would mean an average monthly attendance of 3 weeks or more.
 2. Serve here.
 This means each person would find a place of service, serving the body of InRoads in some form: daily, weekly, and or monthly.
 3. Tith here.
 This means each person understands the Biblical ideals of tithing and has committed to those ideals in weekly and/ or monthly giving.
 4. Grow here.
 This means each person is pursuing a connection through a small group and or Bible study where you are encouraged and supported as you grow.
 5. Invite here.
 This means we understand the need to invest our lives in those who do not know Jesus as their Lord and Savior and are actively inviting others to participate in worship at InRoads.

Coming up at InRoads:
Women's Study - May 14th
Mexico Trip - May 24-28
Men's A's vs Giants Game - June 22

New to InRoads?

Welcome!

And with that word, we start our journey. We really do want you to feel welcome among us. We are a group of people that believe that Jesus Christ not only saved us, but cares about our lives today. We use this time to celebrate and worship the One who would love us so much that He would die to give us life and hope. Look around, ask questions, but mostly know that you are cared for.

Free Bible...

InRoads is committed to helping you discover God's Truth. If you do not own a Bible OR you own one but have trouble understanding the wording, please take one from the table. This is the ESV and is very easy to understand. It is our gift to you.

How to Give

Support of InRoads is done by those who call InRoads their church home. If you are visiting with us, feel no obligation to participate. If you still choose to do so, you are free to give anytime during the service. Our giving container is located at the front.

Communion

This symbolic meal is offered to anyone who has claimed Jesus Christ as their Lord and Savior. During our communion time, please come and dip the bread into the cup and remember what Jesus did for you on the cross. You may also partake before or after the service.

Eating and Drinking

Feel free any time during the service to grab something from the back or fill your cup. We're pretty relaxed around here.
